The Meanwell DIN rail clip DRP-04 can be used with any equipment simply by drilling two holes (for M4 bolts) 66mm apart. If necessary attach this clip to a plate and attach the plate to your equipment.

For more information on the full range of brackets, clips and plates see...
www.procontechnology.com.au/files/brackets.pdf

For use with Meanwell DC-DC Converters:
RSD-100*, RSD-150*, RSD-200*, RSD-300*

*use together with Meanwell plate DRP-01A
